Subject: QUICK STUDY links - actually mostly links

Maybe you have these - but, maybe not ... This list came out of a discussion with several folks in early January.

B

I am going to post this on the TechNotes blog - on the banner of homepage of DamascusCitizens.org - but it is not there yet - soooo I'm sending it and the list also of quick study documents to send if you want .. of course, recommend looking at DamascusCitizens.org NOW searchable!

DEP Press release 11/4/09 about the Cabot Dimock agreement

[OBJ]

DEP Cabot Dimock Consent Order

[OBJ]

AND THE Quick Study LIST as of 1/9/10

NY State dsGEIS - Recommend chapter 5 (has fracturing ingredients) and appendix 13 (has about NORM)
BEST DOWNLOADED BY CHAPTERS, site does not work well if you try to download the complete document, but is OK as chapter downloads

DEC's dSGEIS download page <---- this from http://un-naturalgas.org/resources_and_documents.htm

=====

NYC Hazen and Sawyer report
The final NYC DEP report was released 12/23 stating that 6,000 gas wells in the city's watershed would pose "catastrophic risks" and must be opposed.

http://www.nyc.gov/html/dep/html/press_releases/09-15pr.shtml

=====

EPA comments on the NY State dsGEIS

<http://yosemite.epa.gov/opa/admpress.nsf/d0cf6618525a9efb85257359003fb69d/b56f098e491d56b38525769c0071ab69!OpenDocument>

=====

PEF/Encon, the union that represents roughly 2,000 DEC staff called on the DEC to slow down and hold off on permitting for gas wells until there's more information and the holes in the dSGEIS are filled. Please click here to read it.

http://catskillpost.files.wordpress.com/2010/01/signed_final_12-28-091.pdf

=====

Weston Wilson's whistle-blower paper on the 2004 EPA paper clearing hydraulic fracturing as safe for drinking water supplies

<http://www.earthworksaction.org/pubs/Weston.pdf> <-- this from this page <http://www.earthworksaction.org/publications.cfm?pubID=372>

=====

NRDC spread sheet of gas/oil exemptions

see the December 1, 2009 post on <http://gasdrillingtechnotes.blogspot.com/> <---this is also accessible from the TechNotes button on the banner of

DamascusCitizens.org ... Also see the post Jan 4 on "Brine"

=====

The study on what has happened in counties in the US West that have had gas/oil as their major economic base

http://www.headwaterseconomics.org/energy/HeadwatersEconomics_EnergyFocusing.pdf <---found here <http://www.headwaterseconomics.org/>

=====

Al Armendariz paper on air pollution in Dallas-Fort Worth area from gas drilling and what could be done about it

http://www.edf.org/documents/9235_Barnett_Shale_Report.pdf

=====

DISH, Texas air study FIND it here ---> www.TownofDish.com
scroll down the page

AND Mayor Calvin Tillman's blog <http://baddish.blogspot.com/>

=====

DEP Cabot Press Release and Consent Order 11/4/09

-->THESE ARE ABOVE AS ATTACHMENTS - not available a links yet - they will be on the TechNotes blog SOON!
